

## The 1st International Conference on Spring Technologies

November 16-18, 2015 Tokyo, Japan

### **Guidance for Exhibition**

#### 展示出展のご案内

The 1st International Conference on Spring Technologies (ICST-1) will be held at UDX Gallery (Akihabara, Tokyo) on November 17 (Tue.), 2015. During this conference, 19 reports from various countries, including 5 posters, will be presented to engineers, technicians, researchers and other business people engaged in spring and related industries in the world. ICST-1 will be a good opportunity for manufacturers of springs or manufacturers of products related to springs, such as materials for springs, coiling machines, shotpeening machines, etc. to advertise their products, technologies and/or services. We are looking forward to your participation.

「第1回ばね技術国際会議」が2015年11月17日(火)に東京の秋葉原「UDX ギャラリー」で開催されます。世界各国から、5編のポスターを含む19編の論文発表が予定されており、ばねあるいはばね関連産業にかかわる世界中の技術者、技能者、研究者などが聴講する予定です。ばねメーカーおよびばね関連産業メーカーにおかれましては、商品や技術あるいはサービスなどを展示・宣伝いただく良い機会になるものと存じます。御社の出展を心よりお待ちしております。
