

Call for Papers

ISAAT 2021

The 23rd International Symposium on
Advances in Abrasive Technology
30 Nov. – 3 Dec. 2021
Niseko, Hokkaido, Japan

Organized by

The Japan Society for Abrasive Technology (JSAT)
International Committee for Abrasive Technology (ICAT)

Sponsored by

The Japan Society for Abrasive Technology (JSAT)
Machine Tool Engineering Foundation
(the sponsors are collecting continuously)

Supported by

The Japan Society for Precision Engineering (JSPE)

AREA OF INTEREST

Papers in the following areas are invited by the symposium, but papers in other related areas will also be considered:

- Abrasive machining
- Abrasive jet machining
- Advanced cutting technology
- Beam processing and related topics
- CMP and semiconductor wafer processing
- Applications of abrasive technologies
- Eco-machining
- EDM and non-traditional machining
- Ultrasonic machining
- Finishing, lapping, polishing, and deburring
- Die, mold and related topics
- Grinding wheel and abrasive grain technologies
- High-speed and high-efficiency machining
- In-process measurement, monitoring, and metrology
- Machine tools and systems, tooling
- Additive manufacturing and related topics
- Micro/nano-machining
- Surface integrity and materials characterization
- Tribology in manufacturing
- Truing, dressing and ELID

IMPORTANT DATES

March 1	Full paper submission to both IJAT and ISAAT
May 1	Abstract submission to ISAAT
May 31	Full paper submission to ISAAT
June 30	Notification of ISAAT paper acceptance
July 21	Submission of final ISAAT paper
Aug. 4	Payment of early registration fee
Nov. 30	Conference registration and reception
Dec.1-2	Technical sessions
Dec. 3	Technical visit

SUBMISSION GUIDELINE

- Authors will be provided the options to submit their papers to ISAAT proceedings only, or to both ISAAT proceedings and the International Journal of Abrasive Technology (IJAT, EI indexed).
- Abstract submission to ISAAT: The abstract must include paper title, authors and their affiliations, and a summary of the paper within 200 words.
- Full ISAAT papers must be written in English of length from 4 to 6 proceedings pages. The version of the paper submitted to the IJAT has no limit on the number of pages.
- Each paper must be formatted and submitted according to the Instructions for Authors available in the conference website.

EXCELLENT PAPER

ISAAT Excellent Paper Awards will be selected for 10 presentations. Details will be available on the ICAT website.

PAPER PRESENTATION & PUBLICATION

All papers will be peer reviewed. Accepted papers MUST be presented in oral or poster session. Each delegate may present up to two papers (a publication fee will be charged for the second paper).

ACCOMMODATION

Information of hotel will be available on the conference website.

TRAVEL INFORMATION

Travel information will be available on the conference website.

SYMPOSIUM SECRETARIAT

Prof. Jun Shimizu Email: isaat2021@gmail.com

HISTORY & SCOPE

The International Symposium on Advances in Abrasive Technology (ISAAT) was first held in Sydney, Australia in 1997. Since 2002, JSAT and ICAT have been jointly organizing this exciting annual event for this community and the symposia have been successfully held in Hong Kong China, UK, Turkey, Russia, US, Japan, Australia, Taiwan, China, Germany, Singapore, China, Republic of Korea, Sweden and Canada. An emphasis of the ISAAT series is to bring together both academic researchers and industrial practitioners from around the world for the interchange of the latest developments and applications in abrasive technologies. The ISAAT2021 in Niseko, Hokkaido, Japan will continue to promote the discipline development and research collaboration, and to foster the growth of young engineers and researchers in this field.

REGISTRATION

Full registration	JPY 70,000 (by Aug.4, 2021)
Student registration	JPY 50,000 (by Aug.4, 2021)
Late registration	JPY 80,000 (Full registration)
After Aug. 5, 2021	JPY 60,000 (Student registration)

A full registration and a student registration cover the costs for conference proceedings, welcoming reception, banquet, morning and afternoon refreshments, attendance to all the technical sessions, and lunches.

ORGANIZING COMMITTEE

Symposium Chairman

H. Aoyama Keio University, Japan

Symposium Co-chairmen

C.C.A Chen National Taiwan University of Science and Technology, Taiwan
 P. Krajnik Chalmers University of Technology, Gothenburg, Sweden
 X. P. Xu Huaqiao University, China

Advisory Board Members

J. Ikeno Saitama University, Japan
 K. Kitajima Kansai University, Japan
 T. Kuriyagawa Tohoku University, Japan
 R. Mukai Mitsui Seiki Kogyo Co., Ltd., Japan
 S. Okuyama National Defense Academy, Japan
 J. Tamaki Kitami Institute of Technology, Japan
 K. Tanaka Shibaura Machine Company, Ltd., Japan

Members

T. Furuki Gifu University, Japan
 K. Hara National Institute of Technology, Ichinoseki College, Japan
 H. Hidai Chiba University, Japan
 H. Isobe Nagaoka University of Technology, Japan
 T. Kitajima National Defense Academy, Japan
 H. Kodama Okayama University, Japan

M. Mizutani M. Morita M. Nomura K. Ohashi T. Onishi T. Sawa K. Shimada J. Shimizu H. Suzuki T. Yamada K. Yamaguchi N. Yoshihara L. Zhou
 Xohoku University, Japan
 Tokyo Denki University, Japan
 Akita Prefectural University, Japan
 Okayama University, Japan
 Okayama University, Japan
 Shibaura Institute of Technology, Japan
 Tohoku University, Japan
 Ibaraki University, Japan
 Chubu University, Japan
 Nihon University, Japan
 Kyoto Institute of Technology, Japan
 Iwate University, Japan
 Ibaraki University, Japan

SCIENTIFIC COMMITTEE INCLUDING ALL ICAT MEMBERS

Chairman

H. Suzuki Chubu University, Japan

Members

S. Morita Tokyo Denki University, Japan
 N. Yoshihara Iwate University, Japan
 T. Sawa Shibaura Institute of Technology, Japan
 K. Yamaguchi Kyoto Institute of Technology, Japan

ICAT MEMBERS (* FOUNGING MEMBERS)

Chairman

L. Zhou* Ibaraki University, Japan

Vice Chairmen

X. Chen* Liverpool John Moores University, UK
 C. Z. Huang Shandong University, China

Secretariat

J. Shimizu Ibaraki University, Japan

Immediate Past Chairman

X. P. Xu* Huaqiao University, China

Ordinary Board Members

C.C.A Chen National Taiwan University of Science and Technology, Taiwan
 Okayama University, Japan

K. Ohashi

Active Members

H. Aoyama Keio University, Japan
 B. Azarhoushang Hochschule Furtwangen University, Germany
 D. L. Butler University of Strathclyde, UK
 C. L. Chao Tam-Kang University, Taiwan
 C.C.A Chen National Taiwan University of Science and Technology, Taiwan
 Shanghai Jiao Tong University, China
 M. Chen Korea Institute of Industrial Technology, Korea
 H. Z. Choi* Industrial Technology Research Institute, Taiwan
 T. H. Chou IFW, Leibniz Universität Hannover, Germany
 B. Denkena Osaka University, Japan
 T. Enomoto Nanjing University of Aeronautics and Astronautics, China
 Y. C. Fu Dalian University of Technology, China
 H. Gao Hong Kong University of Science & Technology, Hong Kong, China
 Y. D. Gong Northeastern University, China
 C. Z. Huang Shandong University, China
 H. Huang Huaqiao University, China
 H. Huang University of Queensland, Australia
 M. Iwai Toyama Prefectural University, Japan
 Z. Y. Jiang University of Wollongong, Australia
 R. K. Kang Dalian University of Technology, China
 Y. Kakinuma Keio University, Japan

P. Krajnik

T. Kuriyagawa*
 Y. S. Liao
 K. Liu
 Z. Q. Liu
 B. H. Lyu
 M. N. Morgan*
 S. Morita
 S. Ninomiya
 K. Ohashi
 K. Okuda
 H. Sakamoto
