Research Institution Panel Exhibition Layout (3F Lobby)

Request for Display Setup

- Each exhibition booth is equipped with two display panels, each measuring 900 mm in width and 2100 mm in height, providing a total display width of 1800 mm.
- A nameplate displaying the name of your organization will be installed by the organizing committee.
- Please do not use thumbtacks or double-sided tape to attach materials to the display panels.
- The organizing committee will provide hook-and-loop fasteners (Velcro). One side of the fastener is adhesive; please attach that side to your exhibit materials.
- Alternatively, you may hang your panels using S-shaped hooks from the top edge of the display panel.
- Please note that S-hooks should be prepared by exhibitors.
- Exhibit setup may begin at 4:00 p.m. on Sunday, November 16.
- All exhibits must be removed by 5:00 p.m. on Tuesday, November 18.
- Please be advised that the booth layout may be subject to slight changes on the day of the exhibition.
